

Cranleigh & District Lions Club Carnival & Fun Day

Saturday 26th June 2010

Cranleigh Lions would like to invite your group, club, school, church, business, family, bunch-of -friends, to join this year's Carnival Parade.

This will be our third year with walking and human-powered entries. People have really used their imaginations, dressing up as horse riders and jungle animals; building pedal go-carts and decorating bicycles. Have a look at the photos of last year's event on our website.

We have been collecting pictures of human-powered procession entries from carnivals and shows around the country, so if you'd like to enter but find yourselves a bit stuck for ideas, give me a call and I'll be glad to share the pictures with you.

There will be prizes for a wide range of categories:

- Best club entry
- Best school entry
- Best family and friends entry
- Best commercial entry
- Best children's entry (11 and under)
- Best young people's entry (12 – 16)
- Best animal entry
- Best engineered entry
- Best musical entry (doesn't include the bands we pay)
- Best sporting entry

So what are you waiting for? Send me the entry form or the same information by e-mail and let me know if you want me to pay you a visit to talk about ideas.
