

Cranleigh & District Lions Club

Carnival and Fun Day

Saturday 24th June 2017

Cranleigh Lions would like to invite your group, club, school, church, business, family or group of friends to join our Carnival Parade.

Our theme this year is Space, the Final Frontier! Forget the grey skies and remember those long, hot summer days (OK, it did rain a bit last year, but not during the parade). Let your imagination run wild and help us make this the best Carnival Parade ever!

You can enter any of the following categories. Prizes will be awarded in each.

- Best club
- Best group
- Best commercial entry
- Best school (11 and under)
- Best school (12 to 16)
- Best family and friends entry
- Best newcomer

So what are you waiting for? Don't be one of those who watch the carnival and think 'I could have done that!' Take part and have fun! Complete the entry form attached or send me the same information by email. If you have any questions, give me a call.

Kind regards,

Derek Trawber
